ECU Celebrates 60 Years!

Annual Meeting 2023

February 23rd ECU Credit Union held its 59th Annual Meeting. After two years we were able to get back to our in-person meeting. For those members unable to attend in person, we offered access through Zoom meeting and phone call-in. We are always happy to see so many members that take the time out of their busy schedules to join us. Prior to the start of the meeting, we had some time to catch up on family and reminisce about the Eckerd days.

Additionally, we would like to *thank* the Board Members who volunteer their time without compensation. Elections were held during our meeting, and we are pleased to announce the 2023 elected officials:

Your Emergency Fund Check Up

Make sure you're prepared for rainy days ahead!

Life can get expensive fast. Cars crash. Heaters die. You bend over to put on a sock – like you've done a thousand times before – and your back gives out. Hello pricey medical bills, prescriptions, physical therapy, and unplanned days off from work.

To help us prepare for the unexpected, we build up emergency funds and hope we never need them, though we probably will. Many Americans seem to be taking this financial priority to heart. A new Wealth Watch survey from New York Life found that 83% of U.S. adults polled in late 2022 reported having a long-term financial goal for 2023, with building up emergency funds at the top of the list.

As we lean into the third month of 2023, now is a great time to assess your personal savings goals to ensure you can successfully weather a financial storm.

To do that, ask yourself a few questions:

1. How well am I saving for emergencies?
2. How much do I really need to save?
3. Have I optimized my savings account this year?

For **additional information** on building an emergency fund, check out our **Blog** at ecucreditunion.com.
