In Loving Memory of Stewart Turley

It is with profound sadness that we announce the passing of Stewart Turley, a visionary leader and the former CEO of Eckerd Drug Corp. Stewart, affectionately known as Stew, passed away peacefully at his home in Florida after bravely battling lymphoma. He was 89 years old.

Stew's impact on Eckerd Corporation and Eckerd Credit Union was immeasurable. Serving as the CEO of Eckerd Drug Corp. for three decades, he demonstrated unwavering dedication and commitment to the company's success. His leadership was instrumental in shaping the trajectory of both organizations, leaving an indelible mark on their histories.

Beyond his professional accomplishments, Stew was a pillar of support and a strong advocate for Eckerd Credit Union, embodying the values of community and service. His vision, guidance, and unwavering dedication will be deeply missed by all who had the privilege of working with him.

As we mourn the loss of a remarkable leader, mentor, and friend, we also celebrate the profound legacy Stew leaves behind. His leadership, integrity, and passion for excellence will continue to inspire us for years to come.

Our thoughts and deepest sympathies are with Stew's family and loved ones during this difficult time. May they find comfort in the cherished memories and lasting impact Stew had on so many lives.

Let us honor Stew's memory by continuing to uphold the values and principles he held dear. May Stew's soul rest in eternal peace.
