May the New Year bring you happiness,
peace, and prosperity. Wishing you a joyous 2022!

We would like to say **THANKS** for being a Credit Union Member.

As the new year 2022 begins, we at ECU Credit Union would like to take a minute to say "Thank You" for doing business with us and staying with us. We realize the decision of where to conduct your financial business is a choice – a choice that is growing in options every week and month as new players enter the field with introductory offers.

ECU Credit Union maintains that when you take everything into consideration lower interest rates and fees on loans - that we (the Credit Union) provide the best overall deal on services from a financial standpoint. And that, combined with friendly and personal service, makes your Credit Union shine head and shoulders above the competition. Thanks for being a Member of ECU Credit Union.

We wish you and your family a great New Year!

Holiday Closings

Martin Luther King Jr. Day - Monday, January 17th
President's Day - Monday, February 21st

Always stay connected through our Virtual Branch and ECU Credit Union's mobile app. Check balances, make transfers, pay bills, or make mobile deposits through the app.

Federally insured
by NCUA

Volume 32 – No. 4 – Winter 2021

the **LAST** Word

The New Year lies before you like a spotless track of snow. Be careful how you tread it, for every mark will show.

Toys for Tots

ECU Credit Union has been collecting Toys for Tots since 2005 when our co-worker, Ramie coordinated the first toy drive. After Ramie's passing, the Credit Union continued the annual tradition in her honor.

This year with the help of our members, shared service members, ECU Credit Union associates and Ramie's family, we have a room full of toys! Not seen in the photo are two bikes, a skateboard and scooter. Many children will be smiling as they open presents on Christmas Day thanks to Toys for Tots and the generosity of others.

See what your credit union can do for you! Start by investing your tax refund into a savings account, CD, money market, or IRA. Work with a credit union financial advisor to determine how much you can commit to contributing each month and see how quickly you can double your initial investment!

THE FIRST WORD YOU SEE IS THE NEW HOBBY YOU SHOULD START IN 2022
